

Strengthening Marriages: A Night of Encouragement and Connection

We're excited to share about a special Date Night we hosted with local churches and the Central Arkansas Marriage Initiative during National Marriage Week (Feb 7-14, 2025). Over 60 couples joined us for a beautiful evening of food, fellowship, and fun, focused on strengthening their marriages. Couples loved the activities that helped them connect, communicate better, and grow closer—not just with each other, but with our community too. Hearing their stories of renewed connection and practical takeaways warmed our hearts, and many are already eager for the next event!

We're so grateful for you, our ministry partners. Your support and prayers are what make nights like this happen, and it's a joy to see how we're blessing marriages together—one couple at a time!

Honduras: Greater Impact through Partnership

I'm excited to share about a recent life-changing experience in Helene, Honduras! I (Billy) had the privilege of joining a mission team with Missions Encounter International, where I served by capturing their work on video. Witnessing the team interact with the children was incredible. It was so inspiring to see the genuine love poured out on the local kids, and you could truly sense their deep longing to be seen and valued as individuals—something they don't often experience. Our team worked tirelessly to show them love and was also intentional about sharing the good news of Jesus in the community. Being part of this team and documenting the story was a true honor. I'm eager to share the video with you once it's complete.

This experience has encouraged me to challenge you as well: consider seeking out opportunities, whether it's a mission trip for your family or a chance to make a greater impact right here at home, to step outside your comfort zone and serve a community beyond your usual reach.

Couples Coaching: Equipping and Encouraging Marriages

We've also been pouring into the lives of several couples through marriage coaching lately, and it's been incredibly rewarding to see the impact. One story that fills our hearts with joy is that of a young married couple who had gone through a separation. By God's grace and their willingness to engage in coaching, they are now back together and committed to a renewed relationship! We are also excited to be working with another young couple whose wedding is just around the corner. It's an honor to help them lay a solid foundation for their future together. These experiences remind us of the beauty and challenges of marriage, and we are thankful for the chance to offer guidance and support.

Thank you, dear ministry partners! Your support and prayers are priceless, and we praise God for your investment in the Kingdom. Together, we are making a difference!

Billy & Rebecca

Urgent Prayer Request! Please join us in covering Billy, our missionary friend Eric, a South American pastor, and another missionary in prayer as they embark on a mission trip into the Amazon rainforest region of Colombia and Peru April 22 through May 8. They'll be ministering in multiple villages with existing churches as well as to an unreached people group to share the hope of the gospel! We're trusting the Lord for His protection, guidance, and a powerful move of His Spirit throughout their journey. Please pray for their safety, health, and for many to come to Jesus!

Praise! We're grateful to share that through the Lord's gracious provision and the generosity of ministry partners, we were recently able to purchase a vehicle. We're truly thankful for this blessing!
