Ministering to marriages!

What an inspiring day it was at our Adventures in Marriage event! Thirty-three military couples gathered, and the transformations were truly remarkable. Many shared how the experience brought profound healing and a fresh connection to their marriages. It was a beautiful reminder of how powerful even one day can be when God is at work, strengthening bonds and fostering growth!

"It literally saved our marriage. We're walking out of here a different couple."

"I love the new communication skill we were taught. We went back to our room and tried it out, and we had an amazing breakthrough. With these skills, I believe my spouse and I can talk through any situation that comes our way."

Our second annual Father/Son retreat was a great success!

Eight fathers and their sons joined us for a powerful weekend that was nothing short of life-changing. We witnessed teen boys courageously opening their hearts and sharing their struggles. It was as if we were watching them grow into godly young men before our very eyes—a powerful glimpse of hope for the future. The transformation didn't stop there. The bonds between fathers and sons became unmistakably stronger. Josh, one of the fathers, captured the spirit of the weekend when he said, "I will be a better father! I have to—for my son's sake." These words echoed the power of what we experienced—deepened relationships and healing from past wounds. Boys and fathers confessed their struggles and agreed to hold each other accountable. The healing that took place was deeply moving. Relationships were restored, hearts were mended, and lives were forever changed. Moments like these remind me why I'm so passionate about men's ministry—a glimpse of what happens when love and faith bring healing and shape the next generation of men.

Partnering with others to make a greater impact!

We believe that true ministry is never done alone—and that by partnering with others, we can make a far greater impact for God's kingdom. That's why we've chosen to collaborate with incredible ministries and individuals who share our passion for spreading the Gospel and changing lives. From working with Live the Life and FamilyLife to strengthen marriages, partnering with pastors to support families, joining with music artists to creatively share God's love, learning from esteemed author and teacher Robert Lewis to inspire the next generation of men, to guiding local fathers and sons through Trail Life (a biblically-based scouting organization)—we are committed to reaching hearts in every way possible. But none of this is possible without you. Your support enables these powerful partnerships and makes a life-changing difference. Together, we are touching lives, growing faith, and building a legacy of hope. Will you join us in this mission to make a lasting impact?

Thank you again for your prayers and generosity! Your investment is making a lasting impact in the lives of individuals and families today, as well as impacting generations to come. Together, we are offering hope to the hurting and shining light in the darkness!

Blessings,

Rebecca

"The Word gave life to everything that was created, and his life brought light to everyone. The light shines in the darkness, and the darkness can never extinguish it."
