

“Now to Him who is able to do immeasurably more than all we ask or imagine...” Eph. 3:20

We didn't expect what happened this year. Doors opened faster, people reached out more than ever, and the opportunities for discipleship multiplied beyond anything we had planned for. It's been beautiful—and it's stretched our capacity in ways we didn't see coming.

Dear Friends,

You'll want to read this, because you have been part of every bit of it!

A Year Marked by God's Faithfulness

One of the clearest places we saw God move was our Illuminate Date Night. Over 40 couples filled the room—laughing, worshiping, eating together, and receiving biblical encouragement for their marriages.

“We're praying together more, communicating more intentionally, and having fun again.”

The feedback was humbling:

- “The reminder to dream together was so needed. We had fun dreaming again after Date Night.”
- “Having someone outside our marriage point out the things that slowly pull us apart—what an eye-opener.”
- “We're praying together more, communicating more intentionally, and having fun again.”

We left that night with a renewed conviction: Strengthened marriages lead to strengthened families, churches, and communities. Many couples have already asked when the next Date Night will be!

A Growing Movement of Discipleship

Since September, God has opened more doors for discipleship than we ever anticipated. Men from their 20s through their 60s—new dads, young husbands, and leaders—have approached Billy seeking guidance, accountability, and spiritual growth. Many are stepping into leadership for the first time; others are healing from old wounds. What unites them is a hunger to become strong, humble, Christlike men. Women, too, continue to grow through mentoring, coaching, and one-on-one discipleship. One young woman recently shared, “I'm in awe of the peace God has put around my life.”

This wave of spiritual hunger feels significant—like God is entrusting us with something precious. This is why we do what we do.

A Continued Call to the Nations

This year also brought opportunities for Billy to contribute to gospel-centered media work in Honduras, Peru, and Colombia, helping ministries share the hope of Jesus and multiply disciple-makers. These projects continue to bear fruit—opening doors to new villages, new relationships, and even access to unreached people groups.

God is at work in remarkable ways, and we are honored to be a small part of it.

A Significant Weekend Ahead

Another meaningful moment we are praying over is our 3rd Annual Elevate Father-Son Retreat, happening just days after writing this letter. Each year, this weekend has been a powerful time of connection, blessing, and spiritual breakthrough as fathers call their sons into godly manhood. We are anticipating the Lord to move in meaningful ways again this year—strengthening bonds, restoring relationships, and marking the hearts of young men with truth and identity in Christ.

Looking Toward 2026 With Expectation

As we look ahead, we sense the Lord calling us to:

- **Strengthen more marriages** through coaching, retreats, and Adventures in Marriage weekends.
- Invest deeply in men, helping them grow in faith, character, and leadership.
- Expand gospel reach internationally through missions and storytelling.
- Continue walking closely with individuals through mentoring, coaching, and spiritual formation.

The opportunities before us are greater than at any time since we launched Enspire Global.

A Need—and an Invitation

To step boldly into 2026 and seize these greater opportunities, we have two urgent requests:

1. **A Year-End Gift:** We are praying for the Lord to provide **\$50,000 in year-end giving**. This critical funding will cover the shortfall from this year and fund the initial projects for next year.
2. **Monthly Stability:** Currently, our stable monthly support is around \$6,000, which is no longer enough to sustain the ministry's growth. To meet this rising demand, we urgently need to secure an additional **\$4,000 per month**, bringing our total to \$10,000.

The \$50,000 will allow us to:

- Fund key events like Date Night and the Father–Son Retreat
- Support upcoming international mission projects and gospel storytelling initiatives.
- Cover necessary ministry operations and catch up on costs incurred from the monthly shortfall.
- Continue serving families in a season when costs have increased for everyone.

We hesitated to share the personal side of this, but many **friends have encouraged us to be transparent** (and if we can't trust you, who can we trust?): like many families right now, we are navigating the increasing cost of living, major home repairs, and the expenses of raising and launching four teens/young adults. These realities affect our ability to minister freely—but we trust the Lord's provision and share this only so you can pray with us.

Would you give a special year-end gift and become a monthly partner or increase your monthly support?

Even commitments of \$50, \$100, or \$250 a month would be transformative in providing the stable foundation we need for the growing work God has entrusted to us.

Your generosity directly fuels the work of **discipleship, marriage strengthening, and missions**—work that is bearing real, eternal fruit.

We're So Grateful for You

Every conversation.

Every prayer.

Every marriage restored.

Every man and woman being discipled.

Every life touched by the hope of Jesus—
you have had a hand in it.

Thank you for walking with us.

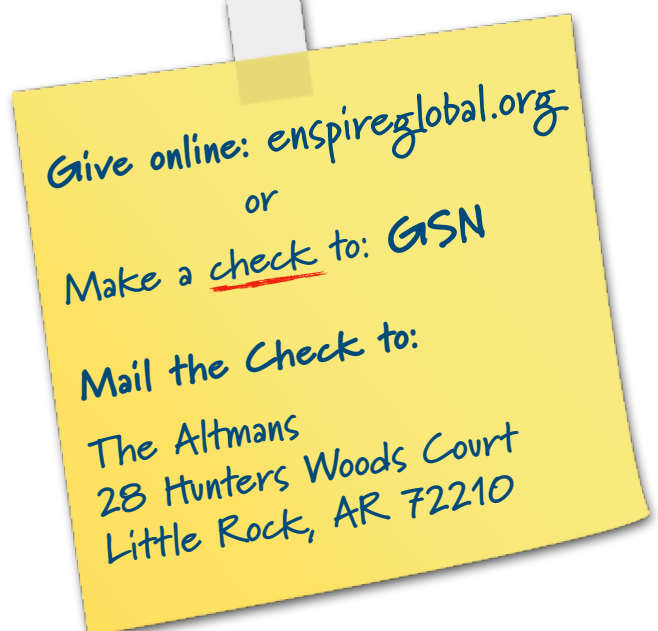

Thank you for believing in the mission.

And thank you for helping us bring the transforming love of Jesus to individuals, marriages, families, and nations.

With deep gratitude and hope,

Billy & Rebecca

P.S. Your year-end gift will help strengthen marriages, disciple men & women, and expand the gospel globally in 2026.
